About Minnesota High Tech Association (MHTA)

MHTA is an innovation and technology association united in fueling Minnesota's prosperity. We help bring together the people of Minnesota's technology ecosystem and lead the charge in directing technology issues to Minnesota's state capital. MHTA is the only membership organization that represents Minnesota's entire technology-based economy. MHTA members include organizations of every size – involved in virtually every aspect of technology creation, production, application and education in Minnesota. Find out more **online** or follow MHTA on **Twitter**.

ABILITY Network Named Finalist for 18th Annual Tekne Awards

MINNEAPOLIS – (October 2, 2017) – The Minnesota High Tech Association (MHTA) has named **ABILITY® Network,** a leading information technology company, a finalist in the Software (established company) category for the 2017 Tekne Awards. The Tekne Awards honor Minnesota companies and individuals who have shown superior technology innovation and leadership.

ABILITY was recognized for ABILITY | EASE® All-Payer, a next-generation, cloud-based, SaaS revenue cycle management (RCM) application for healthcare providers. ABILITY | EASE All-Payer automates the revenue cycle process, including healthcare claims and remittance management, and health insurance eligibility verification all in one application. It automatically checks claims across multiple payers in accordance with their specific rules, including Medicare, Medicaid, or any commercial insurance payer. It also provides a comprehensive dashboard to help customers manage their revenue cycle process to ensure they are accurately and quickly reimbursed for the services they provide.

"Our mission is to help simplify the tremendous complexity our customers in the healthcare industry face on a daily basis," said Mark A. Pulido, chairman and chief executive officer, ABILITY. "This recognition of our EASE All-Payer application demonstrates our commitment to innovation that is focused on solving our customers' most pressing challenges."

Presented by the MHTA, the Tekne Awards annually recognize Minnesota's best and brightest technology users and developers in innovation, development, education, commercialization and management. A full list of finalists is available online at www.tekneawards.org.

"Each year, MHTA seeks out companies and people leading the way in innovation in Minnesota," said Margaret Anderson Kelliher, president and CEO of MHTA. "These advancements are changing the way people all over the world live and work, and the Tekne Awards recognize those achievements."

The 18th annual Tekne Awards will begin at 4:30 p.m. on Nov. 15, with VIP registration and reception, followed by general registration and cocktails at 5:00 p.m. and dinner at 5:45 p.m. The awards ceremony will commence at 7:00 p.m., with a post-event reception at 8:30 p.m. The event will be emceed by Paul Douglas, author, entrepreneur and meteorologist.

For additional information, or to register for the 2017 Tekne Awards program, visit www.tekneawards.org or contact Claire Ayling at 952.230.4553 or cayling@mhta.org.
